

# Creative Fun: Furnish your Luxury Mansion

Decorate your Luxury Mansion in your favourite colors. Here's how:

1. You will need: scissors, patterns, pins, cardboard, fabric, paints, and felt pens or fabric markers.

2. Print the patterns and cut them out.

3. Pin the patterns to the fabric and then cut out the fabric along the edges.

4. Now you can color the fabric. Simply, use the cardboard as a support. See below for a few examples:

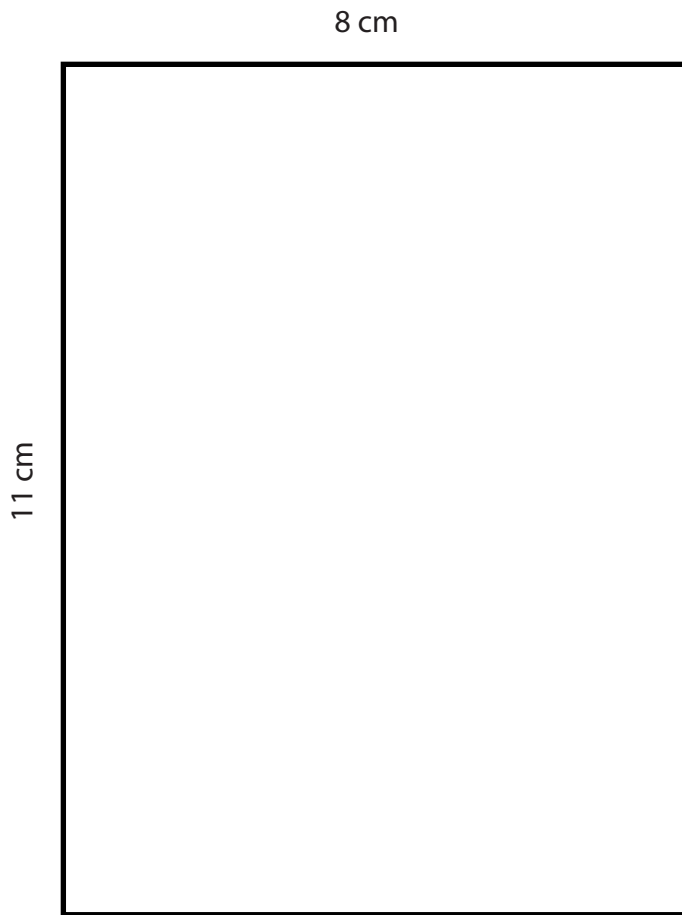

5. Trendy towels

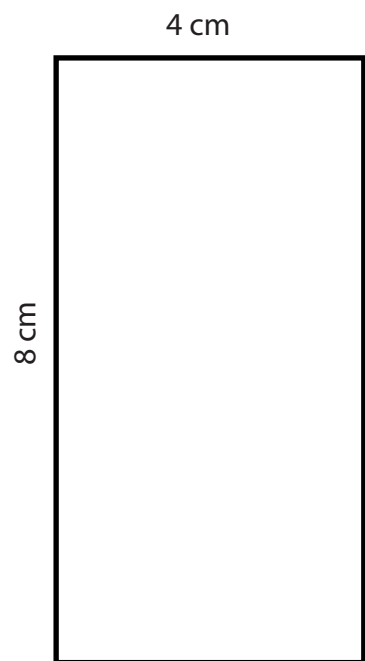

6. Fancy bedding
